

IGAMING PAYMENT INFRASTRUCTURE

A NEW ERA IN PAYMENT SYSTEMS

Built for speed. Trusted by 300+

Rapid and secure payment solutions powering **300+ iGaming platforms**. **14+ local payment methods** through a single integration, with automation that never sleeps.

14+

Local payment methods, bank transfer to crypto

24/7

Live support, in sync with your team

H2H

Host-to-host bank transfer

99%

Auto-approval success rate

WHY ULTRAPAY?

Put your payment operations on autopilot.

UltraPay automates the entire payment flow, so your team can focus on growth, not on chasing transactions.

14+

Single Integration

14+ local payment methods, from bank transfer to crypto, live on your site through one connection. No separate integration per method.

99%

Smart & Automated

Automatic approval with a 99% success rate across all payment methods. A seamless, fast process except in rare cases.

2-Step Deposit

STEP 01
Enter the amount

STEP 02
Transfer & tap confirm

No complicated steps. Finalized in an average of 1 minute.

24/7

24/7 Live Support

Our team works in full harmony with your customer service. Incomplete payments or wrong withdrawal details are resolved instantly.

Advanced Support Panel

- Instant transaction status checks
- Detailed reports & support tickets
- Assign users to your own team
- Daily cash report, exportable to Excel

Fast & Easy Integration

Ready integrations with BetConstruct, Digitain, EveryMatrix and other popular platforms. Add the methods you need, effortlessly.

95%

of deposit requests are **processed automatically in the background**. The transaction finalizes the moment the deposit lands, with no manual work from your team.

14+ payment methods. One integration.

Every method your players already use, live on your site through a single UltraPay connection.
